

2 HOURS FREE IT SUPPORT

WHAT YOU WON

You won two hours of Relytech remote IT support. Bring us one business IT problem and we will spend up to two hours helping diagnose and resolve it.

WHAT IS INCLUDED

- Up to two consecutive hours of remote technical support
- One business and one primary support request
- Remote diagnostics and reasonable troubleshooting within the booked session

PRIZE TERMS

- Remote support only. Onsite travel/callout is not included.
- Excludes major projects, migrations, data recovery, password/security bypass, hardware, licences and third-party costs.
- Resolution cannot be guaranteed within two hours; any additional work requires the winner's approval and a separate quotation.
- Must be booked within 30 days and used within 90 days of winning.
