

3 MONTHS FREE BUSINESS PHONE SYSTEM

WHAT YOU WON

You won three months of a Relytech-hosted business phone system. We will set up a small hosted PBX so your team can experience professional business calling without buying a phone server.

WHAT IS INCLUDED

- Three months Relytech-hosted PBX service
- Basic setup for up to 10 extensions
- Standard IVR/call-flow setup
- Softphone provisioning for supported devices
- One temporary inbound number where technically available for the trial

PRIZE TERMS

- Physical desk phones, internet access, outbound call charges, premium numbers, number porting and special integrations are not included.
- The winner is not required to buy additional services to receive the hosted PBX prize.
- The trial does not automatically convert to a paid contract and no automatic billing will start at the end of three months.
- If the winner chooses to keep the service, pricing and any porting/voice requirements will be agreed separately before the trial ends.
