

CYBERSECURITY AWARENESS SESSION

WHAT YOU WON

You won a free Cybersecurity Awareness Session for your team. We will run a practical session showing staff how common attacks work and what they can do to avoid becoming the easiest route into the business.

WHAT IS INCLUDED

- One live remote session
- Up to 60 minutes
- Up to 30 attendees from one organisation
- Standard RelySecure awareness content covering phishing, passwords, social engineering and safe behaviour

PRIZE TERMS

- Standard session only; custom course development, formal certification and individual assessments are not included.
- Onsite delivery is not included in the prize unless Relytech agrees to provide it within its normal service area.
- Session must be booked within 30 days and held within 90 days of winning, subject to scheduling.
- Recording or redistribution requires Relytech's prior written permission.
