

MICROSOFT 365 CHECK-UP

WHAT YOU WON

You won a free Microsoft 365 Check-Up. We will review the basics of your tenant, licensing and security setup and point out obvious risks or unnecessary costs.

WHAT IS INCLUDED

- One Microsoft 365 tenant
- Review of up to 50 licensed users
- High-level licensing, MFA, inactive-user, sharing and security configuration review
- Plain-language recommendations

PRIZE TERMS

- Winner must provide or approve appropriate read-only/admin access needed for the review.
- Relytech will not make configuration changes as part of the prize unless separately authorised and quoted.
- Licence purchases, migrations, backup restores, mailbox projects and remediation are excluded.
- Savings are not guaranteed; recommendations depend on the tenant configuration and licensing commitments.
